

## **BANK DETAILS FOR MEDICAL STUDENTS' PAYMENTS- (LOCAL/FOREIGN)**

Dear All,

It has come to our notice that, some of foreign category students pay their course fees and other dues in LKR terms. We wish to reiterate that the students enlisted under the category of Foreign status must pay their dues in USD currencies.

Hence, please be advised that students who enlisted to the MBBS degree programme adhere to the currency rules strictly.

With the enrollment of local MBBS students, we intend to record all transactions related to MBBS students in a separate account. To facilitate this, all transactions of the Medical Faculty will be processed through the People's Bank accounts. Therefore, please ensure that all medical students are informed to use the bank account provided below for all types of payments, including course fees, hostel fees, other charges, repeat exam fees, ECFMG, detailed degree certificates and copies, degree certificates and copies, academic transcripts and copies, and degree completion letters and copies, effective from July 12, 2024.
