PROGRAM HANDBOOK

POSTER PROGRAM

Traditional hard copy posters can be found on poster boards on Level 4 for delegates to view throughout the Congress.

E-Posters will be accessible via computer terminals on Level 4, where posters are searchable by presenter surname.

Poster No.: P-002

Comparison of Monotherapy with Combination Therapy for Treatment of Polypoidal Choroidal Vasculopathy in an Indian Setting
First Author: Aditya Vikram SHARMA (India)

Poster No.: P-003

A Classification of Idiopathic Macular Holes Useful in a Busy Clinic
First Author: Aruna FERNANDO (Sri Lanka)

Poster No.: P-004

Intravitreal Bevacizumab (Avastin) Injection in the Treatment of Inflammatory Choroidal Neovascularization
First Author: Aditya Vikram SHARMA (India)

Poster No.: P-005

Anatomical and Functional Outcomes After Vitrectomy for Diabetic Combined Rhegmatogenous and Tractional Retinal Detachment
First Author: Saket ARYA (India)

Poster No.: P-006

Serological Titers as a Supportive Tool in the Diagnosis of Ocular Toxoplasmosis
First Author: Heeyoon CHO (Republic of Korea)

Poster No.: P-007

Risk Factors for Depressive Symptoms in Age-related Macular Degeneration Based on the Fifth (2011) Korea National Health and Nutrition Examination Survey
First Author: Heeyoon CHO (Republic of Korea)

Poster No.: P-010

REMIDO2 Study: Retrospective Multicenter Study of the Dexamethasone Drug Delivery System in the Treatment of Macular Edema After Retinal Vein Occlusion – 2-year Follow-up
First Author: Stephan POMMIER (France)

Poster No.: P-011

Efficacy of Macular Massage in Macular Surgeries
First Author: Jin MA (China)

Poster No.: P-012

Strategies of Minimal Design for Pediatric Vitreoretinal Surgery
First Author: Jin MA (China)

Poster No.: P-013

Characterization of Pediatric Macular Epiretinal Membrane
First Author: Jin MA (China)

Poster No.: P-015

Treatment Decision for Postoperative Residual Submacular Perfluorocarbon Liquid
First Author: Jin MA (China)

Poster No.: P-016

Ranibizumab Use and Patterns of Care in Real-life Settings in the Asia-Pacific, Middle East, and North Africa: Results from the UNCOVER Study
First Author: Bora ELDEM (Turkey)

Poster No.: P-017

Clinical Outcomes in a Heterogeneous Ranibizumab-treated Population in Real-life Settings: Results from the UNCOVER Study
First Author: Brendan VOTE (Australia)

Poster No.: P-019

New Postoperative Spectral Domain OCT Parameters for Prediction of Visual Outcomes in Macular Hole Surgery
First Author: Anshu ARORA (India)

Poster No.: P-020

Putative Effects of the VEGF Inhibitors Ranibizumab and Aflibercept in Promoting Atherosclerosis-associated Inflammation
First Author: Sanjay PATEL (Australia)

Poster No.: P-021

Ganglion Cell-inner Plexiform Layer Thickness in Retinal Diseases: Repeatability Study of Spectral Domain Optical Coherence Tomography
First Author: Jung Yeul KIM (Republic of Korea)
